Joy of Watercolor Class with Sandy Yagel

Suggested Supply List

Brushes: You will want at least 4 brushes - #10 round, 1/2" flat, #2 rigger brush and 1" or larger Hake brush to begin with. I highly recommend a set of Simply Simmons brushes from Jerry's Artarama as a beginning set (It has four brushes: #10 Round, #4 round, ½" flat, and 5/0 spotter) https://www.jerrysartarama.com/simply-simmons-watercolor-brushes-synthetic-wallet-pack-of-4-v05060 As you grow in your watercolor painting you will want other more specialty brushes depending on your style and your subject.

Paper: 100% Cotton 140 lb. Cold Press Watercolor Paper – size can vary but you may wish to have 9" x 12" or 11' x 15" for most of what we will do. Brands of paper like Arches or Fabriano **100% cotton** (acid free) are great! I also recommend having a few papers either torn or cut to a 5" x 7" size for practice or for a smaller painting size.

Plastic corrugated board (16x20). Available at Michaels, or hardware stores. They are lightweight and waterproof. Other boards can also work. This will be used to hold your paper while painting

2 Cups/Containers for water

Palette with a lid – for watercolor – keeps colors contained and good for travel

#2 pencil

Kneaded eraser

1" Masking tape or Artists Tape

Masking Fluid (Pebeo or Schmincke masking pen or Fine Line masking pen)

Small spray bottle – like a travel hair spray bottle – available at a dollar store with fine mist for water application (I will have one to use to wake up your paints)

Paper towels
